The Franchise granted hereunder shall not be assigned, other than by operation of law or to an entity controlling, controlled by, or under common control with the Grantee, without the prior consent of the Grantor, such consent not to be unreasonably withheld or delayed. Within thirty (30) days of receiving a request for transfer, the Grantor shall notify the Grantee in writing of any additional information it reasonably requires to determine the legal, financial and technical qualifications of the transferee. If the Grantor has not taken action on the Grantee's request for transfer within one hundred twenty (120) days after receiving such request, consent by the Grantor shall be deemed given.

Grantee shall permit any duly authorized representative of the Grantor, upon receipt of advance written notice, to examine during normal business hours and on a non-disruptive basis any and all of Grantee's records maintained by Grantee as is reasonably necessary to ensure Grantee's compliance with the Franchise. Such notice shall specifically reference the subsection of the Franchise that is under review so that the Grantee may organize the necessary books and records for easy access by the Grantor. The Grantee shall not be required to maintain any books and records for Franchise compliance purposes longer than three (3) years, except for service complaints, which shall be kept for one (1) year as specified above. The Grantee shall not be required to provide Subscriber information in violation of Section 631 of the Cable Act. The Grantor agrees to treat as confidential any books, records or maps that constitute proprietary or confidential information to the extent Grantee make the Grantor aware of such confidentiality. If the Grantor believes it must release any such confidential books or records in the course of enforcing this Franchise, or for any other reason, it shall advise Grantee

in advance so that Grantee may take appropriate steps to protect its interests. Until otherwise ordered by a court or agency of competent jurisdiction, the Grantor agrees that, to the extent permitted by State and federal law, it shall deny access to any of Grantee's books and records marked confidential, as set forth above, to any Person.

Public Education and Government (PEG) Access

13.1 PEG Access. When the Grantor has determined in good faith that it has the ability to produce and commits to produce at least eight (8) hours per day of original non-character-generated Government Access ("Access") programming, the Grantor shall send written notice to the Grantee. Within one hundred twenty (120) days of receipt of such advance written notice from the Grantor, the Grantee shall provide one (1) downstream Access Channel on the Cable System for use by the Grantor for Access programming.

13.2 If, after provision of an Access Channel pursuant to the aforementioned criteria in subsection 13.1 above, less than five (5) hours per day of original non-character-generated Access programming is cablecast on the Access Channel on average over any six (6) consecutive week period, the Access Channel shall be returned to Grantee upon one hundred twenty (120) days' notice of its intent to reclaim the Channel. If said the Access Channel is not "fully utilized" at any time during the term of this Agreement, the Grantee may temporarily use the Access Channel within sixty (60) days after submitting a written notice of such use to the Grantor. The Access Channel shall be considered fully utilized if unduplicated, local and original programming is delivered over it more than forty two (42) hours per week on average over a six (6) month period.

13.3 The fact that the Access Channel may be reclaimed as a result of decreased demand as provided herein does not preclude the Channel from being made available subsequently should demand increase in accordance with this section. If the Access Channel is being used by the Grantee in accordance with subsection 13.2, and the Grantor has determined in good faith it has the ability to fully utilize the Channel again, then the Grantor shall request return of the Access Channel by delivering written notice of same to the Grantee. In such event, the Access Channel shall be returned to the Grantor for Access programming within ninety (90) days after receipt by the Grantee of such written notice.

13.4 All equipment necessary to produce any Access Channel programming shall be at the Grantor's cost.

Enforcement or Revocation

Notice of Violation. If the Grantor believes that the Grantee has not complied with the terms of the Franchise, the Grantor shall first informally discuss the matter with Grantee. If these discussions do not lead to resolution of the problem, the Grantor shall notify the Grantee in writing of the exact nature of the alleged noncompliance (the "Violation Notice").

Grantee's Right to Cure or Respond. The Grantee shall have thirty (30) days from receipt of the Violation Notice to (i) respond to the Grantor, contesting the assertion of noncompliance, or (ii) to cure such default, or (iii) if, by the nature of default, such default cannot be cured within

the thirty (30) day period, initiate reasonable steps to remedy such default and notify the Grantor of the steps being taken and the projected date that they will be completed.

Public Hearing. If the Grantee fails to respond to the Violation Notice received from the Grantor, or if the default is not remedied within the cure period set forth above, the Board shall schedule a public hearing if it intends to continue its investigation into the default. The Grantor shall provide the Grantee at least twenty (20) days prior written notice of such hearing, which specifies the time, place and purpose of such hearing, notice of which shall be published by the Clerk of the Grantor in a newspaper of general circulation within the Grantor in accordance with subsection 15.5 hereof. The Grantee shall have the right to present evidence and to question witnesses. The Grantor shall determine if the Grantee has committed a violation and shall make written findings of fact relative to its determination. If a violation is found, the Grantee may petition for reconsideration before any competent tribunal having jurisdiction over such matters.

Enforcement. Subject to applicable federal and State law, in the event the Grantor, after the hearing set forth in subsection 14.3 above, determines that the Grantee is in default of any provision of the Franchise, the Grantor may:

Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or

Commence an action at law for monetary damages or seek other equitable relief; or

In the case of a substantial default of a material provision of the Franchise, seek to revoke the Franchise itself in accordance with subsection 14.5 below.

Revocation. Prior to revocation or termination of the Franchise, the Grantor shall give written notice to the Grantee of its intent to revoke the Franchise on the basis of a pattern of noncompliance by the Grantee, including one or more instances of substantial noncompliance with a material provision of the Franchise. The notice shall set forth the exact nature of the noncompliance. The Grantee shall have sixty (60) days from such notice to either object in writing and to state its reasons for such objection and provide any explanation or to cure the alleged noncompliance. If the Grantor has not received a satisfactory response from Grantee, it may then seek to revoke the Franchise at a public hearing. The Grantee shall be given at least thirty (30) days prior written notice of such public hearing, specifying the time and place of such hearing and stating its intent to revoke the Franchise.

At the hearing, the Board shall give the Grantee an opportunity to state its position on the matter, present evidence and question witnesses, after which it shall determine whether or not the Franchise shall be revoked. The public hearing shall be on the record and a written transcript shall be made available to the Grantee within ten (10) business days. The decision of the Board shall be made in writing and shall be delivered to the Grantee. The Grantee may appeal such determination to an appropriate court, which shall have the power to review the decision of the Board *de novo*. The Grantee may continue to operate the Cable System until all legal appeals procedures have been exhausted.

Notwithstanding the above provisions, the Grantee does not waive any of its rights under federal law or regulation.

Upon revocation of the Franchise, Grantee may remove the Cable System from the Streets of the Grantor, or abandon the Cable System in place.

Miscellaneous Provisions

Force Majeure. The Grantee shall not be held in default under, or in noncompliance with the provisions of the Franchise, nor suffer any enforcement or penalty relating to noncompliance or default, where such noncompliance or alleged defaults occurred or were caused by circumstances reasonably beyond the ability of the Grantee to anticipate and control. This provision includes, but is not limited to, severe or unusual weather conditions, fire, flood, or other acts of God, strikes, work delays caused by failure of utility providers to service, maintain or monitor their utility poles to which Grantee's Cable System is attached, as well as unavailability of materials and/or qualified labor to perform the work necessary.

Minor Violations. Furthermore, the parties hereby agree that it is not the Grantor's intention to subject the Grantee to penalties, fines, forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact on the Subscribers within the Service Area, or where strict performance would result in practical difficulties and hardship to the Grantee which outweighs the benefit to be derived by the Grantor and/or Subscribers.

Action of Parties. In any action by the Grantor or the Grantee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld.

Equal Protection. If any other provider of cable services or video services (without regard to the technology used to deliver such services) is lawfully authorized by the Grantor or by any other State or federal governmental entity to provide such services using facilities located wholly or partly in the public rights-of-way of the Grantor, the Grantor shall within thirty (30) days of a written request from Grantee, modify this Franchise to insure that the obligations applicable to Grantee are no more burdensome than those imposed on the new competing provider. If the Grantor fails to make modifications consistent with this requirement, Grantee's Franchise shall be deemed so modified thirty (30) days after the Grantee's initial written notice. As an alternative to the Franchise modification request, the Grantee shall have the right and may choose to have this Franchise with the Grantor be deemed expired thirty (30) days after written notice to the Grantor. Nothing in this Franchise shall impair the right of the Grantee to terminate this Franchise and, at Grantee's option, negotiate a renewal or replacement franchise, license, consent, certificate or other authorization with any appropriate government entity.

Notices. Unless otherwise provided by federal, State or local law, all notices, reports or demands pursuant to this Franchise shall be in writing and shall be deemed to be sufficiently given upon delivery to a Person at the address set forth below, or by U.S. certified mail, return receipt requested, nationally or internationally recognized courier service such as Federal Express or electronic mail communication to the designated electronic mail address provided below. Grantee shall provide thirty (30) days' written notice of any changes in rates, programming services or channel positions using any reasonable written means. As set forth above, notice served upon the Grantor shall be delivered or sent to:

Public Notice. Minimum public notice of any public meeting relating to this Franchise or any such grant of additional franchises, licenses, consents, certificates, authorizations, or exemptions by the Grantor to any other Person(s) to provide Cable Services, video services, or other television services utilizing any system or technology requiring use of the public rights of way shall be by publication at least once in a newspaper of general circulation in the area at least ten (10) days prior to the meeting and a posting at the administrative buildings of the Grantor.

Grantor shall provide written notice to Grantee within ten (10) days of Grantor's receipt from any other Person(s) of an application or request for a franchise(s), license(s), consent(s), certificate(s), authorization(s), or exemption(s) to provide Cable Services, video services, or other television services utilizing any system or technology requiring use of the public rights of way. Any public hearings to consider such application or request shall have the same notice requirement as outlined in Paragraph 15.6 above.

Severability. If any section, subsection, sentence, clause, phrase, or portion of this Franchise is, for any reason, held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions of this Franchise.

Entire Agreement. This Franchise and any Exhibits hereto constitute the entire agreement between the Grantor and they supersede all prior or contemporaneous agreements, representations or understandings (whether written or oral) of the parties regarding the subject matter hereof.
