RE: Meeting Information Update

### **Monday/s Town Board Meeting**

The meeting agenda for the October 25 begins with a workshop on the 30 x 30 America the Beautiful project. I have included information from Gwen Lachelt provided and a copy of Q&A provided by the Public Lands Officer of Montezuma County. We are trying a new format of workshop first, board meeting second. After speaking with several municipal managers, it is not uncommon to hold a workshop prior to rather than after the board meetings. On the agenda for our regular meeting Monday night:

- Jon Kelly will present Resolution 546 to participate in the Colorado Opioids settlement memorandum of understanding and other supporting documents and designate the town manager to execute the documents on behalf of the town.
- David Douady will present Ordinance 555 to amend Title 15 of the Dolores Municipal Code and adopt various 2021 building and fire codes.
- Discuss additional budget items.
- Ken Charles will present the Resolution to approve a housing planning grant application and designate the town manager to execute the grant application and execute a grant contract on behalf of the town.

### **General Updates**

- Update on the STR licensing process from David Douady and Ken Charles.
- Staff met with the Flanders restroom architect to discuss building and design issues and the land survey of Flanders is moving forward. The survey will be used for the master planning process.
- The mayor and manager will report on the October 15 workshop on the Montezuma County Economic Resiliency and Recovery project hosted by the DOLA.
- Community Intervention Program update.
- I will be out of the office the week of November 15<sup>th</sup>.
- Possible 2021 and 2022 grant projects attached.

### **Upcoming Events**

- The Vaccine Bus will be at JRP Friday November 12 from 9:00 am to noon.
